Thinking of Installing a Modern Kitchen?

Today's institutional kitchen demands McDonald two-way efficiency:

McDonald Custom-built Food Service Equipment.

McDonald Scientific Layout-Planning and Installation.

The McDonald Company, manufacturers of the widely-used BROILERIZER and DUO-MATIC DISHWASHER, for many years has specialized in scientifically-designed kitchen equipment that will give unequalled satisfaction from a standpoint of service, sanitation and economy.

And to further insure complete serviceability, our engineers have developed plans for arrangement of units to afford a maximum of efficiency in a minimum of space. Every detail of layout and equipment is included in our service. Your inquiry cordially invited.

A Maryknoll Annuity

... Offers Spiritual and Temporal Advantages

AN ANNUITY is one of the approved methods of protecting savings and, at the same time, of assuring a fixed income for life, for yourself or for a relative or friend.

A MARYKNOLL ANNUITY offers additional advantages: It is a spiritual investment as well. The annuitant not only helps in the work of teaching the religion of Christ in fields afar, but also participates in the prayers and works of Maryknollers.

For yourself, an annuity may serve to protect your own old age; to provide an income for an invalid or some aged person you wish to safeguard; or to reward a faithful employee. Wherever a safe, assured income is needed, a Maryknoll annuity should have consideration.

It is doubly safe — because of the experience, integrity and conservatism of our investment advisers, and the supervision of the New York State Insurance Department.

The details of a MARYKNOLL ANNUITY are contained in a descriptive booklet, which we shall be glad to send you on request.

It's a fact . . .

Pray's contract division is the largest of its kind in New England, and each year serves hundreds of public and private institutions. We point with particular pride to the work performed by our organization in churches and educational establishments. Because we maintain a complete staff, we are in a unique position to supply and install carpeting, linoleum and tile flooring, and acoustical ceilings. A call to HAncock 6-5000 will bring complete information.

Pray's is a complete home furnishing store serving New England home makers since 1817.

STOCKING A SUPER MARKET

Nearly six million American families daily eat food purchased at A & P Food Stores. To meet their demands the average A & P Super Market stocks well over two thousand items.

Such a complex job requires far-flung buying activities in national and world markets.

Take fresh fruits and vegetables, for example. Representatives of the Company's 140 field buying offices go into the fields and orchards of all 48 states to assure a steady flow of quality produce to A & P's customers.

Similarly, poultrymen of 41 states do business with A & P. The finest products of America's dairyland, cattle country and grain belt find year-round public acceptance through the Company's aggressive merchandising.

Fishing fleets from Alaska to Newfoundland and the Gulf of Mexico pour millions of pounds of seafood into A & P's fresh and process market. Tea and spice trade with the Orient and with South American and the Indies for coffee and tropical foods highlight the Company's world-wide buying activities.

Throughout its 90-year history A & P has been alert to the importance of maintaining primary and supplementary supply sources for all foods, working closely with suppliers to improve production and distribution methods. The natural outcome of such a policy has been to provide consumers with foods of greater variety, better quality and lower cost. It has enabled the Company to return to suppliers a larger share of the consumer's food dollar.

Expert buying and testing facilities are characteristic of the business methods which year after year have enabled the men and women of A & P to do the nation's most effective job of food distribution.

....symbol
of service

The distinguishing mark of the steeple and "C" is symbolic of the close ties of service the Carsello organization maintains with the Church. Three generations of the Carsello family have contributed their skill

and knowledge of floor finishing and building maintenance for cleanliness and beauty in the Church. The skilled craftsmanship of the family is maintained and the most modern manufacturing processes are employed in the factory.

Service contracts are now available in the Boston Archdiocese for the maintenance of your institution. Experienced craftsmen maintain your floors, pews, desks, etc., on a monthly or yearly basis . . . working expertly and unobtrusively. This includes any work you deem advisable . . . includes sanding wood floors — refinishing asphalt tile, rubber tile, terrazzo. Particular care given to refinishing desks and pews. Consult Carsello now.

ASK FOR A SURVEY of your buildings without charge or obligation. A detailed report is given to you . . . an inventory of building conditions that helps administrators maintain institutions wisely.

LENTEN REGULATIONS

OBLIGATIONS

Lenten Observance comprises two distinct obligations, namely **FASTING** with regard to food in general and **ABSTINENCE** from flesh meat and extends from Ash Wednesday until Holy Saturday at noon.

ABSTINENCE

Abstinence means that flesh meat and its juices may not be used at any meal during the day. The use of small amounts of animal fats for cooking is permissible.

FASTING

Fasting means that, on a given day, only one full meal may be eaten; the other two meals, the breakfast and lunch (at noon when the meal is taken at night) or supper (when the main meal is taken at noon), taken together, must be less than a full meal. The breakfast and lunch (or supper) may not include meat, or meat products. Many of our people have an all-the-year-round practice of eating a minimum breakfast — orange juice, coffee and toast, and a very light lunch. Such persons are not expected to make these meals any smaller. Others have the practice of eating heavier meals at breakfast and lunch. The Lenten law requires that, on days of fasting, they diminish considerably the quantity of food at these meals, not to the extent of hampering them in their daily duties, but to the extent that they are conscious of genuine self-denial.

THE PURPOSE OF ABSTINENCE AND FASTING

The Church imposes by law the observance of fasting and abstinence as a matter of self-discipline, as a method of proving that each Catholic can dominate and rule his bodily appetites in the interest of his soul and his spiritual nature. It is a sacrifice of comfort, to prove the sincerity of our prayers and our devotions.

THOSE SUBJECT TO THE LAW

Abstinence from meat is to be observed by all who have passed their seventh birthday. Fasting on all food is to be observed by all between their twenty-first and their fifty-ninth birthday.

THE DAYS OF ABSTINENCE ONLY

are the Fridays throughout the year, unless a holyday of obligation falls on Friday.

THE DAYS OF FASTING ONLY

are the Mondays, Tuesdays, Thursdays and Saturdays of Lent, except the Ember day Saturday.

THE DAYS OF BOTH FASTING AND ABSTINENCE

are the Wednesdays and Fridays of Lent; the Ember days; the Vigils of Pentecost, Assumption, All Saints and Christmas.

EXCUSES AND DISPENSATIONS

The laws of fasting and abstinence, like the laws requiring attendance at Sunday Mass and fulfillment of Easter duty, are calculated for the average, normal, healthy person. Those who are not average, normal, healthy persons are excused from fasting and abstinence if their condition is really and truly sickly, and the observance of the law would impose seriously great hardship upon them. Those whose condition approaches more closely to the average should either observe the law, or seek a personal dispensation from their pastor.

By virtue of a special indult, those engaged in laborious work are dispensed from the law of abstinence on all the days of the year except the Vigil of Christmas, Ash Wednesday, all Fridays and Holy Saturday until noon. This dispensation includes not only the individual working men, but also all members of their families. This dispensation from abstinence does not include a dispensation from fasting; and unless they are otherwise excused, working people and their families remain subject to the law of fasting.

CATHOLIC YOUTH ORGANIZATION

75 UNION PARK STREET, BOSTON 18

Liberty 2-6686

DIRECTOR—Rev. John P. Carroll

The diocesan Catholic Youth Organization is conducted under the general direction of the Most Reverend Archbishop, and under the personal supervision of the diocesan youth director upon whom rests the responsibility of supervising the growth of the organization and interpreting to the clergy and to the laity the program approved by the Archbishop.

Archbishop Cushing stated as the prime purpose of the CYO, "To Fashion the Image of Christ in Our Youth." With this in mind, the CYO provides a diversified, well-balanced and integrated program of spiritual, cultural, recreational and social activities, directed toward the development of the ideal Catholic boy or girl—loyal to God and His interests, appreciative of the nobler things in life, mentally alert, physically strong, and capable of associating with others.

Inquiries regarding the CYO, its program and its policies may be sent to the office of the Diocesan Director. The central office is a coordinating agency which represents a service and a stimulant to youth activities in the diocese.

THE LEGION OF MARY

A SYSTEM OF CATHOLIC ACTION

DIRECTOR—Rev. Thomas F. Garrity
100 TEMPLE STREET, SOMERVILLE
Somerset 6-3322

The Legion of Mary is a world-wide association of lay people, both men and women, organized for apostolic work. It is under the patronage of Mary Immaculate, Mediatrix of All Graces. It began in Dublin, Ireland, in 1921, with a group of seventeen zealous working people who were conscious of their duty to participate actively in the divine mission of the Church. They aspired to fill a need in the spiritual field which societies involved in material relief could not completely meet.

The Legion is made up of units called "Praesidia," each of which usually works within the limits of a single parish under the supervision of the Pastor and a Spiritual Director appointed by him. With his approval, it will undertake any work of Catholic Action which affords the prospect of improving the spiritual life of the parish. In carrying out its assignments, it follows a prescribed system which has been tested for nearly three decades and has been successful

under the most diverse conditions and in every quarter of the globe. It has received the endorsement of both Pius XI and Pius XII.

Among the works commonly undertaken by the Legion in this Archdiocese are the recruiting of members for the Holy Name and other parish societies, stimulating attendance at missions, novenas, and all parish devotions; taking the parish census; visiting hospitals and institutions; giving catechetical instruction; promoting the Family Rosary Crusade and week-day Mass attendance; distributing Catholic literature; escorting the blind and infirm to Church; following up Sunday School absentees; and encouraging lax and indifferent parishioners to fulfill their religious obligations.

MEMBERSHIP: Active and Auxiliary. Active members attend weekly meetings and perform assigned works; Auxiliaries assume the obligation of reciting daily the Legion prayers and the Rosary.

PARISH UNITS IN ARCHDIOCESE OF BOSTON: 80 Senior and 14 Junior Praesidia. Affiliated Praesidia: 6 in Maine, now organized in a regional Curia; 2 in New Hampshire and 1 in Vermont.

DIOCESAN DIRECTOR: Reverend Thomas F. Garrity, 100 Temple St., Somerville.

SECTIONAL DIRECTORS: Reverend L. V. Cooney, D.D., South Shore Curia, 42 Wendell Avenue, Brockton.

Reverend John J. Kelly, Mystic Valley Curia, 179 Summer Street, Somerville.

Reverend John A. Cantwell, Newton Area Curia, 133 School Street, Waltham.

Reverend Thomas F. Wilkinson, Merrimack Valley Curia, 327 Gorham Street, Lowell.

Reverend John Geegan, Junior Curia, 243 Neponset Avenue, Dorchester.

OPEN LETTER TO ONE SEEKING HELP FROM ALCOHOLICS ANONYMOUS

Are you, by chance, a person whose relatives or friends are concerned and worried by your drinking? Do you suffer hangovers of physical torture and mental anguish? Then know this. Most likely, you have the disease known to medical science and to Alcoholics Anonymous as the disease of Alcoholism. You are not a wilful person, stubbornly bent on self-destruction; you are desperately sick, with an enormously complex disease of body, of the brain, of the mind, and of the soul. Punishment is not your answer. You need kindly help.

Alcoholics Anonymous can arrest your disease, restore to you peace of mind, can make your life a useful one, and can re-establish you in all happy relationships. It is the "A. A." way to show you that you are allergic to alcohol, as diabetics are allergic to sweets. It is the A.A. way to restore you to physical, mental and spiritual health. It is not a religion. It is based on medicine, psychiatry, and religion in general. In A. A., those who have recovered from this disease show the newcomers the how of their new happiness. There are over one hundred thousand (100,000) recovered alcoholics in A. A. They are more than anxious to help anyone who is sincerely looking for the answer. They guarantee that any person afflicted with alcoholism can be restored to happy normal living, provided he does what each of them has done. A person who will not want to be free is beyond help; he will eventually die an alcoholic or insane death.

So, if you have ever wondered why the whole world seems against you, why you are so often "in the soup", why you have had lost so many good things in life, look to your drinking. And if you have had all the punishment you want, all the suffering you can bear, please try the "A. A." way. It's free; it's simple; it's guaranteed to bring you health and happiness.

You can contact "A. A." by calling any of these:
